

United States Department of State

Washington, D.C. 20520

MAR 13 2009

Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to support the replication of the Have Quick I/II and SATURN Electronic Counter-Counter Measure (ECCM) for integration into Radio Communications Equipment in Germany.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Michael C. Polt
Acting Assistant Secretary
Legislative Affairs
